

Kaushik Santhosh

COMPUTER SCIENCE (DATA SCIENCE) UNDERGRADUATE

Software Development & AI Enthusiast | Bengaluru, Karnataka, India | LinkedIn:
linkedin.com/in/kaushik-santhosh-96059b326

PROFILE

Computer Science (Data Science) undergraduate with an 8.48 CGPA and a solid foundation in Python, Java, C, SQL, data structures, algorithms, OOP and DBMS. Interested in software development and emerging AI technologies, with hands-on exposure through hackathons, technical training and an AI tools awareness session. Known for disciplined learning, problem solving and clear communication.

EDUCATION

New Horizon College of Engineering

Bachelor of Engineering - Computer Science & Engineering (Data Science)
2024 - 2028 | CGPA: 8.48

CORE SKILLS

Python • Java • C • SQL / MySQL • Data Structures • Algorithms • OOP • DBMS • Git • Linux
• Problem Solving

TRAINING & CERTIFICATIONS

- **Git Training** - EduPyramids / SINE, IIT Bombay - Score: 80%
- **Linux Training** - EduPyramids / SINE, IIT Bombay - Score: 76.67%
- **Data Science Workshop - Quantum X-25** - New Horizon College of Engineering

ACHIEVEMENTS & INVOLVEMENT

- Participated in the Internal Hackathon conducted as part of Smart India Hackathon 2025.
- Conducted a Basic AI Tools Awareness Session for students at Indian Public School.
- Completed the Bengaluru Runners Jatre 10 KM run in 1:11:51 on a World Athletics certified course.
- Participated in an Information Technology Seminar at Indian Public School.
